NOTICE

STATE OF NEW HAMPSHIRE

L. S.

To the inhabitants of the Town of Weare, in the County of Hillsborough, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Weare, on Tuesday, the 14th day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1st. To choose all necessary Town Officers for the year ensuing.

2nd. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3rd. To choose, by separate ballot, one Trustee of Trust Funds for three years.

4th. To choose, by separate ballot, one Trustee of the Library for three years, and one to fill the unexpired term of Mrs. Irene V. Murch.

5th. To see how much money the Town will raise to repair highways.

6th. To see how much money the Town will raise to repair bridges.

7th. To see how much money the Town will raise to rail dangerous places along the highways.

8th. To see if the Town will raise and appropriate the

amount of money necessary to secure State Aid for the permanent improvement of highways,

9th. To make provision for the collection of taxes.

10th. To see how much money the Town will appropriate for the observance of Memorial Day.

11th. To see if the Town will make appropriation of \$100.00 to \$500.00 for the purpose of co-operating with the State and Federal Governments in the control of the White Pine Blister Rust; such appropriation to be available until spent in co-operation with the State and Federal Governments.

12th. To see if the Town will raise a sum of money to care for the graves and headstones of the soldiers in Sugar Hill Cemetery.

13th. To see if the Town will vote to allow Drewry Brothers to build a piece of road beginning at a point between Drewry Brothers' shop and the house of Henry Reade, running down the hill and joining the river road on the east side of Drewry Brothers house. The road to be built at Drewry Brothers' expense. The Town to discontinue the road as it now runs.

14th. To transact any other business that may legally come before the meeting, and raise such sums of money as may be necessary for the same.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and twenty-two.

CHARLES H. STAFFORD,
FORREST DEARBORN,
GEORGE A. WATERMAN,

Selectmen of Weare.

A true copy of warrant—attest:

CHARLES H. STAFFORD,
FORREST DEARBORN,
GEORGE A. WATERMAN,

Selectmen of Weare.

CLARA E. FAVOR,
 CARLISLE DEARBORN,
 ERNEST A. PAIGE,
School Board.

REPORT OF THE Superintendent of Schools

To the School Board of the Town of Weare:

I herewith submit my eighth report as Superintendent of Weare schools.

STATISTICS

Whole number of different pupils registered during the year 1920-1921 was 191. 161 in the elementary schools; 30 in the high school. Of these 92 were boys; 99 girls.

ENROLLMENT BY GRADES

Grade	1	2	3	4	5	6	7	8	9	10	11
Boys	12	15	7	10	10	11	8	4	8	11	1
Girls	16	14	7	10	12	5	10	10	12	3	0

Whole number of different schools maintained, 10.

Number of teachers employed, 11.

Average membership of all schools, 164.

Average daily attendance, 151.

Per cent of attendance, 92.3.

Number of visits of Superintendent, 185.

GENERAL CONDITIONS

Weare has been fortunate this year in having to employ but two inexperienced teachers and but four teachers new to the system. It is a great advantage, economically,

to retain satisfactory teachers year after year. While this is true in all schools, it is especially so in the small country schools like those of Weare. The teachers are doing very satisfactory work and good results are anticipated in the year's work.

The much-needed improvement in the toilet arrangements at the North Weare school, I am sure, is appreciated, both by the pupils and their parents. It deserves commendation. There yet remain three school houses needing like improvement, if they are to be continued in use. I should not recommend, however, any considerable expenditure of money on school buildings situated where present conditions seem to indicate, if not immediate, certainly their not far distant closing.

Cleaning and painting will suffice for the repairs, at present, in such buildings.

The school at Riverdale began in September with an enrollment of nine pupils. After eleven weeks the school was closed, having only three pupils. This school is typical of what is happening in many of our rural communities. It is the kind of school I have reference to above.

It may not be the time to do it now, but present conditions in Weare seem to indicate that some time in the near future there will be three two-room school buildings maintained at three central points, North Weare, South Weare and East Weare, each having experienced trained teachers.

When this time comes, and the consequent advantages to the pupils of such an arrangement over the present small rural school is seen and felt by the parents, we shall wonder at the delay in adopting such a plan.

HIGH SCHOOL

The High School, now in its third year, has fully justified its existence, I believe, by the kind of work being done there, the pupils' interest in that work and the already apparent beneficial effects of the school upon the development of

the boys and girls enrolled therein, as well as upon the grade pupils. For the high school has reacted very noticeable upon the grades as a stimulus to greater effort, affording, as it does, a goal to be looked forward to and worked for.

There have been thirty-eight pupils enrolled this year. The scholarship of the school compares favorably, in its average, with that of other small high schools. The excellent attendance record, notwithstanding the long distance half the pupils have to come, bespeaks an unusual interest. With average scholarship, and unusual interest, is afforded an opportunity to build up a school of high standard.

This opportunity should be fully improved. To graduate from the Weare high school should be made to mean evidence of good character, of good ability, of reliability, of faithfulness to purpose and duty, of real accomplishment and good citizenship. Only those should be graduated who have earned a right to be, by the good quality of work done.

To maintain such a standard means that not all who enter the high school will graduate. Some may fail in the first year others in the last. That is a result found in every high school, and to be expected. But failures should not be graduated.

We now have thirteen in the junior class who hope to successfully complete this year. They will then be ready for the fourth year, if you will give it to them. This means a third teacher and additional expense. Are not these thirteen boys and girls and those coming after them worth it?

The new heating equipment for the high school is working very satisfactorily and is a credit to all concerned.

At the last school meeting no appropriation was made for an equipment for teaching physics, as I recommended, and in consequence that course has suffered for want of proper apparatus. Another year, if chemistry is taught, an appropriation will be needed for apparatus and chemicals for that course, but none for physics.

I repeat what I said in my report last year, that the high school deserves the continued enthusiastic support of the citizens.

REPAIRS

The school room at the Center needs refinishing; ceiling, walls and paint. The greatest need for repairs this year is at East Weare. Whether the conditions there warrant running that school as a one-room or two-room school, provision should be made for better light or the children be required to bring with them flash lights, lamps or candles. More light of some kind from some source is much needed.

I do not recommend other than the ordinary minor repairs upon any other buildings this year.

MEDICAL INSPECTION

Unless the physical examination of the pupils now required can be done early in the school year the intended benefits of such examinations are nullified. For two years these examinations have not been made until the last month of the school year and have been useless so far as school room benefits were concerned. I recommend that this examination be conducted not later than October of each year.

ELEMENTARY GRADUATES, 1921

The following pupils graduated from the 8th grades of the town schools, June 28th, 1921:

Marjorie Rose Boynton	Kenneth Dodge
Lionel Henry Favreau	Dorothy Esther Felch
Arline Eleanor Flanders	Mable Francena George
James Louis Gunn	Helen May Hurd
Wm. Ernest Lafond	Ruth Marion Patenaude
Isabelle Paige	Elbra Delia Townes

Of these twelve graduates, eight entered the Weare high school.

CONCLUSION

I want to thank the teachers, parents and School Board for their co-operation in making the school work this year pleasant and effective.

Respectfully submitted,

F. S. LIBBEY,
Superintendent of Schools.

WEARE, N. H., February 4th, 1922.
